SPDI-5050 Spiritual Direction Practicum

(2 credits)

This course provides an integration of actual experience in the ministry of spiritual direction. The practicum employs both a theoretical as well as an experiential perspective while focusing on the student's own person as an instrument of spiritual direction. This extended-length class consists of nine months of spiritual direction given to at least two directees under the supervision of a trained supervisor. The student meets regularly with a supervisor to share their verbatim and to explore their responses and reaction to their directees. The supervisor helps the student to deal with obstacles within themselves as a spiritual direction minister.
