## Graduation Requirements for a Bachelor of Arts (B.A.)

### Requirements Common to All Majors in the School of Business: Accounting, Finance, International Business, Management, and Marketing

All B.A. candidates in Accounting, Finance, International Business, Management, and Marketing must satisfy the following requirements:

- The candidate must complete the General Education requirements of the College. (See Academic Regulations and Procedures in the Course Catalog.)
- The candidate must complete all courses required for the degree from the School of Business with a grade of C– or better in each course with an overall GPA of 2.0 or higher. Courses required for the degree are grouped in three categories known as the Common Body of Knowledge (common to all Business majors), the Major Requirements (specific to each degree), and the Capstone Curriculum (common to all Business majors). The list of courses in each category is as follows:

- Policy Statements:

- Students may petition for more than one major in the School of Business (e.g., a student may double major in Accounting and Finance, or double major in Finance and Marketing, etc.). Students who petition for the International Business major **must** declare a co-major within the School of Business (e.g. Accounting, Finance, Management, or Marketing).

- The minor in Business Administration is not available to majors in the School of Business. However, the minors in Accounting, Finance, and Entrepreneurship are available to majors in the School of Business.

- For students who transfer to Benedictine College and are accepted as a major, the School of Business reserves the right to determine which transferred courses will satisfy the requirements of a major. This determination will be based on a careful review of previous course content and rigor.

## Program Requirements

Students will not be allowed to take the accounting major courses listed below unless they receive a C or better in both ACCT-2090 Principles of Financial Accounting and ACCT-2100 Principles of Managerial Accounting (the two accounting courses required in the School of Business' Common Body of Knowledge). Students who have declared an accounting major but fail to meet these requirements will be removed as accounting majors and must declare a different major.

Students who plan to take the Certified Public Accountant examination should be aware that the completion of at least 150 semester hours is required to take the CPA exam. An accounting faculty advisor should be consulted before making final decisions relative to this degree program.

Many career choices are available in the profession of accounting. The three principle areas of employment are in public practice, corporate accounting, and with governmental agencies.
