

# FINANCE (BA)

Many career choices are available in finance. The three principle areas of employment are in corporate finance, banking, and investments. This major requires development of a specific plan and input from a finance advisor.

## Program Mission

The mission of the Finance Program is to develop graduates who add value to an enterprise by applying their knowledge of business and finance theory and practice, communicating persuasively, and acting with character and compassion. Graduates of the Benedictine College Finance Program will be able to conduct financial modeling and analysis to assess financial health and need, and to efficiently allocate resources.

## Program Outcomes

1. Graduates will be able to use professional-quality business communication skills to persuade or inform a specific audience regarding a business issue, mindful of the cultures and values of diverse stakeholders.
2. Graduates will be able to act with consistency and integrity, while acknowledging the inherent dignity of all human persons, to influence others and contribute to the greater good by following the model of Jesus Christ.
3. Graduates will be able to understand, interpret, identify strengths and weaknesses, and plan for future improvement of an organization's performance (financial, operational, etc.) by gathering and analyzing relevant quantitative data.
4. Graduates will be able to identify internal and external problems and prospects relevant to an organization's existence (emphasizing social-societal, economic, technological, political-legal, and global issues), and plan for future improvement by persuading internal and external stakeholders to take and support appropriate and ethical action.
5. Graduates will be able to analyze complex and ambiguous finance situations and take appropriate action, applying finance theory and tools in accordance with contemporary professional finance practice.

## Graduation Requirements for a Bachelor of Arts (B.A.)

### Requirements Common to All Majors in the School of Business: Accounting, Finance, International Business, Management, and Marketing

All B.A. candidates in Accounting, Finance, International Business, Management, and Marketing must satisfy the following requirements:

1. The candidate must complete the General Education requirements of the College. (See Academic Regulations and Procedures in the Course Catalog.)
2. The candidate must complete all courses required for the degree from the School of Business with an overall GPA of 2.5 or higher. Courses required for the degree are grouped in three categories known as the Common Body of Knowledge (common to all Business majors), the Major Requirements (specific to each degree), and the Capstone Curriculum (common to all Business majors). The list of courses in each category is as follows:

- a. The nine Common Body of Knowledge courses:
