

EDUCATION MINOR

Program Requirements

A grade of 'D' will not be accepted in any Education courses counting toward an Education minor.

An education minor is offered to students interested in working with children and youth, but does not lead to licensure. Students must declare education as a minor, develop a program plan for the 18-credit minor in collaboration with their major and minor advisors, and have approval from their education advisor to enroll in courses higher than EDUC-2226 Characteristic of Indiv Exceptionalities.
