EDUC-3317	Integrated Language Arts Practicum	1
EDUC-4492	Supervised Student Teaching Elem School	12
Total Hours		86-88

pass with a grade of 'C-' or higher to fulfill the College's Mathematical Reasoning requirement.

⁴ Elementary and Special Education majors satisfy the college six credit hour requirement in the Historical Foundation by taking one American History course and one World Civilization course. Secondary Art and Music majors are not required to take a World Civilization course.

⁵ Classical Education, English, fine arts, foreign language, health and physical education, mathematics, psychology, theology, science, social science, or Special Education.

⁶ One general education Philosophical Inquiry requirement is met by EDUC-4451 Philosophy of Education.

Changes in Kansas State Department of Education licensure requirements will preclude requirements established by Benedictine's School of Education.

Area of Concentration

Elementary education majors must complete a concentration in one of the following areas: Classical Education, fine arts, foreign language, English, mathematics, health/physical education, psychology, special education, science, social science, or theology. A concentration consists of either a minimum of 15 hours in that area (including up to three credits of an EDUC-labeled methods course as specified by the School of Education) or a minor in that discipline if it is offered.

¹ A grade of 'D' will not be accepted in Education courses or the General Education courses that are specifically required for Elementary and Special Education majors.

² Must be taken in two different disciplines including one lab course. Both Natural World courses are program requirements for Elementary and Special Education majors and must be taken and passed prior to student teaching.

³ Elementary Education majors must take MATH-1110 Mathematics for Elem Teachers I and MATH-1120 Mathematics for Elem Teachers II and
