

SECONDARY EDUCATION (BA)

Program Outcomes

1. Graduates will apply content and pedagogical knowledge to effectively work with diverse P–12 students and their families.
2. Graduates will engage in high-quality and diverse clinical partnerships as a means to apply knowledge, skills, and dispositions that positively impact student learning and development.
3. Graduates will have met program quality expectations and will have received support in any areas that were deficient in order to be effective and professional teachers of P–12 students.
4. Graduates will effectively teach P–12 classes and impact the learning of all their students due to relevant and effective preparation by the teacher preparation program.
5. Graduates will have the ability to adapt to and succeed in different settings as well as with diverse P–12 students, schools, and communities as evidenced by the continuous improvement efforts of the teacher preparation program.

Program Requirements

Licensure Program Requirements

Students majoring in secondary education must also complete the licensure program requirements in any of the following content areas: art education, biology, chemistry, English, French, mathematics, physical education & health, music education, physics, Spanish, and social science. (Refer to major or content area in this catalog for licensure requirements.)

Changes in Kansas State Department Licensure requirements will *preclude* requirements established by Benedictine's School of Education. Students will complete the College's general education requirements in addition to the following courses:
