

SECONDARY EDUCATION (BA)

Program Requirements

Licensure Program Requirements

Students majoring in secondary education must also complete the licensure program requirements in any of the following content areas: art education, biology, chemistry, English, French, mathematics, physical education, health, music education, physics, Spanish, and social science. (Refer to major or content area in this catalog for licensure requirements.)

Changes in Kansas State Department Licensure requirements will *preclude* requirements established by Benedictine's School of Education. Students will complete the College's general education requirements in addition to the following courses:
