

COMPUTER SCIENCE MINOR

Program Requirements

Code	Title	Hours
CSCI-1140	Introduction to Computer Science I	4
CSCI-2150	Introduction to Computer Science II	4
MATH-2550	Discrete Mathematical Structures I	3
Select two of the following:		6-8
CSCI-2560	Discrete Mathematical Structures II	
CSCI-3100	Database Systems	
CSCI-3500	Algorithm Design & Analysis	
CSCI-3570	Theory of Automata	
CSCI-3600	Concepts of Programming Languages	
CSCI-3800	Artificial Intelligence	
CSCI-4200	Computer Architecture	
CSCI-4400	Operating Systems & Networking	
Total Hours		17-19

Transfer students pursuing a minor in Computer Science must take a minimum of 25% of the coursework required for the minor at Benedictine College.

Recommendations: A student should not attempt a computer science course unless he or she received at least a 'C' in its prerequisite.
