

MUSIC (BA)

Program Mission

The mission of the Music Program is to guide students to various career options in music and to prepare them for entrance into graduate music study. Graduates of the program will have developed their musicianship and performance skills and acquired a knowledge of music as an art form.

Program Outcomes

1. Graduates will offer solo performances at a technical level and repertoire breadth appropriate to the graduates' musical emphasis.
2. Graduates will experience diverse and multicultural music literature through performance, theoretical analysis, and historical synthesis.
3. Graduates will have broad experience in music that represents participation in a variety of academic and performance venues.
