

THEOLOGY-SECONDARY ED (BA)

Theology and Secondary Education Double Major

The Theology/Secondary Education major is designed to prepare theology graduates to become outstanding high school theology teachers. Throughout courses, associated field experiences, and culminating with a 12-week supervised teaching internship in a Catholic high school, graduates will demonstrate a mastery of theology content as well as pedagogical competency as a beginning teacher. Although this program does not qualify for Kansas state teacher licensure, graduates will nevertheless meet the same high standards required of all teacher education program candidates.
