

MASTER OF ARTS IN TEACHING (MAT)

Admission Requirements for the MAT Program

The admissions policy for the MAT at Benedictine College are designed to select students who have demonstrated the ability to be successful in academic and teaching vocations. The School of Education carefully considers each application during department meetings and makes one of the following decisions: a) regular admission, b) probational admission, or c) denial of admission. The decisions of the department with regards to admission are subsequently brought to the Committee on Graduate Studies for confirmation. The Director of the program will notify the applicant of the admission decision in writing. The applicant may appeal any adverse decision by submitting a written petition. Unless formal approval is received from the Director, a maximum of two courses taken as a special graduate student may be applied to degree requirements.

The requirements for formal admission are as follows:

Regular Admission

In addition to the completed application form, applicants must meet admission criteria.

Elementary

Applicants to the MAT elementary program must meet the following requirements:

1. Bachelor's degree from an accredited institution
2. Minimum 2.5 grade point average in their most recent 60 credit hours of undergraduate work.
3. Verification of employment in an accredited school
4. Agreement with a school-based mentor with at least 3+ years of teaching experience
5. Ability to complete initial coursework prior to the first day of teaching
6. Successful fingerprinting and background check to earn a L.E.R.P. license from KSDE (for candidates teaching in Kansas)

Secondary

Applicants to the MAT secondary program must meet the following requirements:

1. Undergraduate degree or graduate degree in the content area for which the license is sought
2. Minimum 2.75 grade point average in their most recent 60 credit hours of undergraduate work.
3. Passing score on the Praxis content test
4. Verification of employment in an accredited school
5. Agreement with a school-based mentor with at least 3+ years of teaching experience
6. Ability to complete initial coursework prior to the first day of teaching

7. Successful fingerprinting and background check to earn a Restricted license from KSDE

Probational Admission

Applicants with less than the required GPA or secondary candidates who have not passed the Praxis content test may be admitted on a probationary status. Students admitted probationally due to GPA will have their status re-evaluated after the completion of the first six hours of graduate work at Benedictine College in the prescribed curriculum of the program as follows:

1. Those students who achieve a minimum GPA of 3.0 in the first six hours of the prescribed curricula will be granted regular admission status.
2. Those students who do not achieve a minimum GPA of 3.0 in the first six hours of the prescribed curricula will be dismissed from the program.

Secondary students admitted provisionally who have not passed the Praxis content exam may have until the end of the 2nd semester of coursework to do so. Failure to pass this exam by this point will lead to dismissal from the program.

Comprehensive Examination

All graduate students must successfully complete a comprehensive exam over the course of study for the degree. The comprehensive exam is the Praxis Performance Assessment for Teachers (PPAT) work sample, and the passing score is 32/60.

Degree Requirements

1. All coursework must be completed within six (6) years from the date of the initial enrollment.
2. A cumulative GPA of 3.00 must be maintained each semester.
3. A maximum of six (6) semester hours of 'C' credit will be accepted. If a student receives a grade of 'C' in more than six (6) semester hours he or she will be dismissed from the program.
4. Any grade below 'C' will not be accepted and will result in exclusion from further study.
5. Degree candidates must pass a written comprehensive examination.
6. Degree candidates must complete the online graduation application by the appropriate date.

Dispositions

To complete the MAT program at Benedictine College, all candidates must demonstrate appropriate "dispositions" for teachers. This term means the values and professional ethics the graduate student brings to becoming a teacher. We are required by the State of Kansas to evaluate candidates on their dispositions. The dispositions we expect candidates to demonstrate may be summarized in the phrase, "Professionally Responsible Builders of Community." These are divided into two areas: 1) "Professional Responsibilities" and 2) "Building Community." Dispositions are reviewed each semester and are scored at each of the three (3) benchmark points in the program. If a supervising mentor, teacher, principal, or faculty member has serious concerns about a candidate's professional dispositions, a meeting will be held with the candidate, Program Director, and Chair. A plan for improvement will be made and a timeline for re-evaluation will be set. Failure to meet the tenets of the plan in a timely and professional manner may lead to the dismissal from the program.
